

**REMARKS**

In this response, Applicant amends claims 1, 3, 8, 15, 21, 24 and 25, and cancels claims 2, 9, 16 and 22. The Examiner previously indicated that claims 2, 9, 16 and 22 contained allowable subject matter and would be allowable if placed in independent form. Applicant has amended claims 1, 8, 15 and 21 to correspond to claims 2, 9, 16 and 22 in independent form. Since these are the only independent claims in this case, all claims now pending are in condition for allowance. Therefore, Applicant respectfully requests entry of the amendments set forth above under 37 C.F.R. § 1.116 since the amendments place the claims in condition for allowance.
